

blocked and choked routes between Napier and Hastings on Thursday. Constable Nathan Ross said the man's car had rear-ended a parked truck on the side of the road at the intersection of Pakowhai Rd and

Hawke's Bay Hospital as a precautionary measure." He said it was possible the cause of the crash was distraction. Police were then called to a crash on the southbound lane of the

Hawke's Bay Expressway, 200 metres south of the Pakowhai roundabout, about 7.14am. A truck and two utes collided. No injuries were reported. The road's southbound lane was

blocked for 40 minutes but the vehicles were removed and a spill cleared, by which time traffic had built significantly. The crash chaos happened on the same day police put out a warning

and drive to the contractors of the road, put your phone away, always make sure you are sober and alert. "We want to remind people that there will be traffic and there will be hold-ups, so it's important to stay calm and patient."

## Charity walk stocks Food Bank shelves

Students at Ornekawa School have come together to help those suffering during Covid-19 with a charitable Food Walk.

On Monday some year 5 and 6 students dropped over 500 leaflets into letterboxes on the streets that surround the school. The leaflet asked that the community put out a non-perishable food item that could be picked up on Thursday.

"We had no idea if we would collect much food but any donations were a success," assistant principal Tim Race said.

"We have an astonishing quantity of food that is now going to be donated to the Food Bank who are directly helping those who are now in even greater need of food post Covid-19 lockdown."

For the next two weeks, now until June 15, parents can bring a non-perishable food item to school where it will be collected by the classroom's teacher. This will go with the Food Walk food and be donated to the Food Bank of New Zealand.
