Disco Fun - Thanks Team Pipi for Organising an Awesome Evening!

New Entrant Cohort Entry Trial

We are trialling a new cohort entry system. This means that new entrant children are starting in week 1 and 5 of each term rather than starting on their birthday. There are key advantages of doing this. It allows our teachers to visit the child’s early childhood centre which facilitates a smooth transition. Under cohort entry, children start at two points which enables much less disruption to the class. New children start with a group of other new entrants which supports their well-being.

We require feedback from our community before we can officially implement the system.

If you would like to provide feedback about cohort entry please email Steve: principal@onekawa.school.nz

Disco Story - By Ellie-Mae - Year 2 Student in Huataki

I’m going to the disco! I’m going to be the queen of the dance floor!

No one is going to stop me. People try to stop me but it fails.

You see, I dance all the time. I listen to music on my tablet. Dance is like dreaming, you see, you dance, you dream, no stopping dancing because you know you like dancing.

My heart loves to dance. Maybe you are like me? No one knows but move your legs and they dream to dance!

Our Week 3 Class Certificate Winners—Tumeke Children.. Congratulations!
