

**ONEKAWA SCHOOL**  
Te Kura o Onekawa

**A word from the principal...**

It's been wonderful to see the many different ways our children and families commemorated ANZAC Day last week. Thanks for sending in your photos; here a few examples in this newsletter.

Exciting news with our new buildings... foundation work is almost complete! Next Friday, thirty truckloads of concrete will be brought in to complete stage one! I will be sure to take photos and will share them with you in next week's newsletter.

Take care in your bubbles and have a lovely weekend everyone ☺

**Anzac Poem by Brooklyn Room 5**

**Onekawa School has been very quiet this week! We have eleven students, two teachers (Mrs Woods and Mrs Groom), Mr Heal and Mr Bloor! We have been keeping up our social distancing. Photo below: Eating at lunchtime**
