

Our New School Mural is complete!!! Check it out:

Congratulations to our week 2 class certificate recipients!

Pink Day – Next Friday

Pink Day is being held next Friday 17 May. The focus is on preventing bullying and spreading aroha and kindness.

Children are encouraged to come along in something pink to celebrate the day. No donation is required.

Team Pipi will be presenting three 'buddy benches' to the school at assembly that day.

The idea is if a child is lonely or doesn't have any friends to play with, they can sit on the buddy bench and other children will know to reach out and make an effort to include them.

A big thanks to Team Pipi for providing this cool resource 😊

Disco

Fun was had at the school disco last night! As per usual, the children's behaviour was **OUTSTANDING** and their dance moves were pretty cool too!

Thanks to Team Pipi for organising another wonderful event!

BoT Elections

Board of Trustee elections are coming up later this month. This afternoon parent nomination forms are being posted home. You will receive these sometime early next week.
