IT'S TIME YOUR CHILDREN HAD THE EDUCATION THEY DESERVE

You send your children to school to help set them up for life. Yet, schools are facing a teacher shortage crisis, with a 40% drop in people training to be teachers; and a growing number of school-aged children. Schools are struggling to find enough staff to teach our children.

There is also a desperate need for more support for children with additional learning needs. There just aren't enough teachers to give your kids the education they deserve.

WHAT WE ARE CAMPAIGNING FOR?

- * More teachers – so your kids can get more attention
- * More resources/staff to support children with additional learning needs
- * A pay jolt to salaries for teachers to address the teacher shortage – so that your children will have a teacher in the future.

SHOW YOUR SUPPORT!

Let your teachers know you support them and join in campaign activities at your local school.
