

Moveathon – Tuesday 22 September – The Countdown is on!

Excitement is building for Onekawa School’s first ever Moveathon! Sponsorship forms were sent home last week and I have already heard of lots of donations being made. We appreciate your support of this event as this is our major fundraiser for the year.

The Moveathon is being held on Tuesday 22 September at 11:15am on our school field. Sponsor money is due by Friday 25 September (the last day of term).

People have been asking “what is a movethon?”. The focus of the moveathon is for children to be moving for 45 minutes carrying out various fun activities. There will be music, dancing, walking, hopping and jumping – just to name a few activities. We are having two practices next week so children will be able to tell you more about it then.

Depending on the COVID-19 alert level, we are hoping to be able to invite our parents and caregivers to this exciting event.

Building Updates

Playscape Area

As promised, ground work started for our new playscape area on Wednesday! Work is due to be complete so our new classes can open in term four.

Administration Block

More exciting building news... our administration block is being remodelled and work will start in approximately four weeks.

Administration staff and Steve will be moving into Room 4 while the remodelling is underway. We hope to have this project completed by the end of this year.

Room 3 and 4

Room 3 and 4 are being remodelled at the start of 2021. The work will be the same as that carried out on Room 1 and 2 this year... Exciting!!!

School Hats for Term Four

School hats need to be worn in the summer terms (term one and term four).

Hats are available from the office for \$15. Colour choices are blue or red 😊

Here’s an action shot of our Kaitiaki Group in the school gardens. Awesome mahi children!
