

A word from the Principal

Kia ora Whānau.

I'm very excited to announce that our new Onekawa School app is now live and ready to go!

Follow these simple steps to get up and running:

- To download, search for 'SchoolAppsNZ' on either the 'Apple App Store' or 'Google Play Store'.
- A prompt will ask if you want to allow notifications. You need to allow to enable alerts to be sent to your phone. For the first time only, type in 'Onekawa' to search for our school.
- Tap the top left hand corner of the app (three horizontal lines). Then click 'Alert Subscriptions'.
- Tap to subscribe to the groups in which you would like notifications for. Currently you can choose notifications for syndicates, classrooms and cricket. More groups will be added as the year goes on.

Features of the app:

- Absences: Click on 'absentee' to either call, text or email the office to let us know of an absence.
- Contacts: email a teacher or the office.
- Links: access our school website and Facebook page.
- Newsletters: get all our newsletters directly in the app.
- Alerts: general alerts that are sent to all app users.

Please note: From Monday next week Facebook will no longer be used for notifications regarding sports draws. They can now be accessed using our app.
