

A word from the principal

Our Matariki event was awesome last night! The turnout was outstanding... thanks to all of you who were able to attend. Congratulations to our Kapa Haka group who performed the world premiere of the waiata 'Te Kura Onekawa'. The free sausage sizzle proved very popular with 550 being consumed during the evening! Thanks to Mrs Bound and our staff for organising such a lovely event. Ka mau te wehi! Tumeke!

Meeting of the Minds

On Wednesday, ten of our Year 5/6 students took part in the National Aquarium's 'Meeting of the Minds' programme. The children carried out a number of exciting experiments and represented our school proudly. Congratulations!

Sea Week Poetry Competition

Congratulations to Kingston for being awarded 'highly commended' at the National Aquarium 'Sea week' Poetry Competition! Kingston performed his poem in front of a large crowd at the aquarium last week. Well done!

Class Certificate Recipients

Congratulations to our week 6 & 7 class certificate recipients! 😊
