

A word from the Principal

We are so fortunate to have an amazing group of parents and staff members who make up Team Pipi. We had a strong turnout with over 25 team members attending our meeting this week!

Team Pipi organise fun events and raise money for projects for the benefit of our children and school. See below for the latest purchases made possible by Team Pipi:

AED (Defibrillator)

Arriving in April, the AED has been purchased by Team Pipi for the potential benefit of all who visit Onekawa School.

Basketball Hoops

Basketball hoops have been purchased by Team Pipi and were installed by Miss Porter's Dad and Partner. Thanks heaps!

Sports Socks

Team Pipi purchased 60 pairs of socks for our school sports teams.

Thanks Team Pipi!
You are awesome!

Community Survey

As part of our professional development focus in 2018, we are interested in understanding more about your perceptions of your child's/children's experiences at Onekawa school. This survey is an opportunity for us to find out about your perceptions and views. The survey should only take about 10 minutes to complete. Your participation in this survey is voluntary and your responses are anonymous. The responses will be collated and used to provide evidence to inform decision making about next steps with regard to professional development in our school.

Links to the survey can be found on the school app under 'links' or on the front page of www.onekawa.school.nz
