

**Exciting News - Affordable Broadband Now Available!!!**

Spark Jump helps families get home broadband so their children can continue learning out of school hours.

Spark Jump is a low-cost, pre-pay internet service for families with children under 18, with no current broadband connection. The cost is \$10 per month for 30GB of data.

Because it's pre-paid there's no risk of running up a debt. No contract or credit check. Because it uses Spark's 4G wireless network there's no fibre or landline connection, and no installation cost or complications.

Your family is eligible for Spark Jump if:

1. your household includes one or more children (up to age 18)
2. your family home does not have a current broadband connection (internet on smartphones doesn't count)

The Napier/Taradale library is our local Spark Jump partner. If you are interested in signing up for Jump, please contact Vanessa on 06 834 4180 or email [info@napierlibrary.co.nz](mailto:info@napierlibrary.co.nz) to book an appointment.

Our group of seven Ukulele players will be performing at the festival at Bay Skate on Marine Parade tonight. The performance starts at 6pm and entry is by gold coin donation. Thanks to Mrs Corbett for all her tutoring and organisation.

**Kapa Haka Performance on Emerson!**

Exciting news! Our Kapa Haka group will be performing by the flower pot on Emerson Street in Napier on Wednesday 28 November starting at 11:30am. We have timed this performance with the arrival of a large cruise ship into the city so we should have a good crowd to watch! Everyone is very welcome to attend ☺

**Calendars, Cards, Diaries Etc...**

We have had a good response to our fundraiser this term. We have raised an additional \$1,657 to go towards our development of the outdoor area by the junior classes.

The children's artwork has been sent away for processing. These will be available before the end of the term.

**White Ribbon Ride**

The White Ribbon Ride is returning to Onekawa School this Tuesday at 11:30am. Several riders will be displaying their motorcycles on our school field. They will also be giving important messages about respect and stopping violence towards women. You are all very welcome to come along.
