Traffic Safety Outside School Gates

On a daily basis SOME adults continue to ignore basic road safety rules that keep our children safe. This includes:

- Parking on yellow lines
- Pickups/drop-offs on yellow lines
- Double parking to drop of children on yellow lines

To these adults - please consider the safety of our children and refrain from doing the above.

A HUGE thanks again to MOST of our school community who park and drop children off safely.

School Communication – School App and SeeSaw

Most of you will already know that we have two important ways of communicating with you. The school app (search ‘School Apps NZ in your app store) allows you to receive important alerts, newsletters, report absences and more. SeeSaw allows you to see your child’s learning in action. Let us know if you need help connecting.

Congratulations to this week’s class certificate winners!
