

Napier Interschool Cross Country Championships

We sent a team of 48 runners to the Napier Interschool championships this week.

Congratulations to all our competitors, especially our Year 6 Boys team for placing third out of more than twenty other schools!

Our runners who placed 20th or better will be representing us again at next week's Hawkes Bay Interschool Championships... good luck!

Sausage Sizzle

We are having an end of term sausage sizzle next Friday at lunchtime. We are able to offer our sausages for only \$1 as one of our wonderful Mums, Belinda, entered and won 1000 sausages from the Mad Butcher Napier!

Please bring your money along next Friday morning.

Funds raised will go towards our new playscape.

A huge thanks, once again, to Team Pipi for all that they do for our school and our children... you are all amazing!

Building Updates – What's Taking So Long?!?!

Our new classrooms were due to be completed by the end of last month... as can be seen, this has not been the case! We are of course, very disappointed.

The delay is out of the school's and Ministry of Education's control. The latest indication is that the classrooms will be completed by the middle of next year. We will keep you updated on this timeline.

The remodelling project for Rooms 1 and 2 is at the tendering stage. We hope to see work start on this before the beginning of the new school year.

Our school entrance on Kennedy Road has been looking really messy. The wall was cut to allow the modular buildings to be transported to the site. To tidy up the area the builders have removed the temporary fencing. We will also be placing some new 'Onekawa School' signage on the wall to make the entrance look much more inviting.

Congratulations to our Week 9 Class Certificate Winners! Ka mau te wehi!

Sports Uniforms

All Soccer and Cross Country uniforms are due back on Monday. Please return them washed and in a named bag to Room 6. Thanks!
