

**SEESAW Update**

Congratulations to Room 5 who are the first class to have at least one family member sign up for each child! As a result, they were the lucky recipients of an ice block!

The other classes are very close to getting a 100% sign up also. Please see your child’s teacher if you haven’t received the QR code yet.

**SEESAW INTERESTING FACT FOR THE WEEK – DID YOU KNOW?**

Up to 10 family members can connect to each child’s account! This is very handy if you have grandparents or aunts and uncles who would like to engage in your child’s learning. Simply give them the QR code to connect. If you have lost the code, see Steve in the office to give you a new one.

**IMPORTANT MESSAGE – MENIN ROAD CUL-DE-SAC**

There are ongoing concerns regarding vehicles using the Menin Road Cul-de-sac. I have been in contact with both the Napier City Council and the Police to begin working through solutions. The initial message is very simple. It is illegal (and unsafe) to park on yellow lines regardless of how short or long you are there for. Secondly, it is illegal (and unsafe) to double park to drop off and pick up children. We appreciate your support with this.

**House Competition Launch – Next Friday**

Unbelievably, it appears the only suburb to get heavy rain at 5pm yesterday was Onekawa! As a result, we had to postpone our house competition launch. The good news is that we are going to try again next Friday 1 March at 1:30pm. Children can come along dressed in their house colours. Parents and whanau are most welcome to come and support the children. It should be a very exciting afternoon. We hope to see you there!

**IMPORTANT - New Entrant Enrolments**

We are in the process of planning new entrant classes for the rest of the year and we need your help!!!

If you, or someone you know, is enrolling a five year old this year, please come and let us know in the office.
