

A word from the principal

We have a bumper packed, two page, newsletter this week as there is much to celebrate! Our children have been amazing once again. In particular, their behaviour in classrooms during wet lunch days was of a high standard. Have a lovely weekend everyone 😊

**Principal's Award
Eli Wairama**

Eli is an absolute superstar in Room Two! Not only is he a wonderful and caring friend, he also has a great sense of humour and enjoys a good laugh.

Eli has an outstanding work ethic and always completes tasks to a high standard. He continually challenges himself, perseveres when the going gets tough and is enthusiastic in all learning areas.

Eli is quick to do jobs around the classroom and often uses his initiative. Eli is super responsible too! He can be trusted with any job and takes these responsibilities very seriously.

Eli is generous with his time when helping others and quietly gets on with whatever needs doing. He makes positive choices EVERY SINGLE DAY.

That is what makes him such a worthy recipient of this special award. Tino pai Eli, ka mau te wehi!

Newsletter News!

Newsletters will now be coming home on Fridays so the news in it is more up to date e.g. class certificate winners will be in the newsletter the same day they receive the award.

Now that newsletters are accessible on the website and on the school app, there is an opportunity to reduce the cost of photocopying and usage of paper by opting out of a physical copy. If you are happy to receive your newsletter electronically please indicate below and **return to the office**.

I no longer wish to receive a paper copy of the newsletter

Name of child/children:

Visit to Waitangi Park

Yesterday a team of students from our Kapa Haka Group were lucky enough to attend the first ever Matariki Winter Solstice at Waitangi Park.

They participated in a range of activities from planting native trees to traditional Maori games.

The children learnt how things were made and how to recycle them to look after Papatuanuku as well as star gazing at the stars of Matariki.
