**Te Koha  
Rongotoa-Owen**

Te Koha is not only a really smart thinker, but a really kind and thoughtful person. He never has a bad attitude, and is positive about everything. He will step up for any challenge, even if it is a difficult one for him.

He puts 100 percent effort into his schoolwork, and completes tasks to a high standard. He always tries to do his best. He finishes his work quickly, and even though he would probably like to choose a free time activity, he is often the first to put his hand up to help others, even without being asked.

Te Koha cares about other people, and he is always kind and thoughtful with his words. I have often seen him helping, or trying to cheer up another child in the playground. He is a great friend to have.

He is a fantastic listener. He listens so well, he often knows what I am going to say before I have finished saying it.

He is a reliable person, and I can always count on him to do a job well. Congratulations!

**White Ribbon Ride**

Over twenty bikes roared into Onekawa School on Tuesday as part of the White Ribbon Ride. The message given by the riders was one of kindness and respect for one another. Thanks to the riders for giving their time for an important cause.

**Athletics Sports Next Week**

We are holding our annual middle and senior school athletic sports on Monday and Tuesday next week. You are very welcome to attend.

On Monday, we will be holding the sprint races at Onekawa School starting from 1:30pm.

On Tuesday, we will be walking to Marewa Park to complete the field events and relays. We will depart school soon after 9am for a 9:30am start. Children will arrive back at school by 12:45pm.

Children need to bring their bags with morning tea, a drink bottle, hats, sunscreen and a warm top.

We hope to see you there ☺
