

A word from the principal...

Tena koutou parents and caregivers

I hope the last week has been okay for you all.

I need to say a HUGE thank you for you responding to our urgent survey that was sent out mid-week.

We have 17 children who will be attending school at level 3. I will get in contact with the parents of these children in the next few days to share the health and safety protocols that will be in place.

This week, I estimate that I've spoken personally to over 50 parents. The feedback you have given me about remote learning has been wonderful.

Teachers also tell me that they are enjoying all of the learning that is being sent to them. Keep up the great efforts but remember – please don't feel pressured into doing it all... having a break and doing something completely different is absolutely fine 😊

I've had lovely feedback about the 'children be helpful' challenge I set yesterday. Congratulations to the many children who completed the challenge successfully! Check out some of the photos I have received of children being helpful below!

Have a lovely weekend and I hope you are able in some way to commemorate ANZAC day tomorrow.

Steve
