**Administration Upgrade – Progress Update**

If you have been at school this week you will have noticed new fencing around the administration block.

The demolition team has been busy this week clearing out the administration block to ready it for the rebuild.

The builders will begin next week and we hope to finish the project by early next year.

**Celebration Conferences – Wednesday 9 December**

Our end of year celebration conferences will be held on Wednesday 9 December between 2pm-6pm.

These conferences give an opportunity for children, parents and teachers to celebrate the progress and achievements over the year.

We will send home booking request notices next week for you to return.

**Congratulations to this week's class certificate winners!**
