

A word from the principal...

It's been another wonderful term at Onekawa School. Thanks to all for your continued support. Have a good break with your children. I look forward to seeing you all next term! Nga mihi, Steve.

Lost Property

At the end of every term we have a heap of lost property left over at school; 99% of which is unnamed.

The incredible thing about lost property is that nobody seems to belong to it once it gets left on the ground!!!

Please name your child's clothing so if it gets lost it can be returned 😊

Room 6 were having fun playing 'Kahoot' when I visited this week. They were testing their language skills. The questions are posted on the big screen television and children answer using their chrome books. It looked like a really fun way to learn!

Napier Mayor Kirsten Wise came to Onekawa School to present t-shirts to Room 10 for their efforts in the food bank collection a few weeks ago. Congratulations 😊

Check out these awesome penguin dioramas that Room 17 created this week. They look amazing!

Farewell to Mrs Lucas – Thank You for 38 Years of Outstanding Service

On Thursday afternoon we farewelled Mrs Rowina Lucas after 38 years of service to Onekawa School.

Ro started in 1982 initially as the school cleaner. She then became the school caretaker and followed with many years as a teacher aide.

Ro has worked with thousands of students over this time and has been a highly valued staff member. Both staff members and students alike have loved working with her.

Congratulations on your retirement Ro, it is very well deserved! We look forward to you popping in to say hi from time to time. We will miss you! Ka mau te wehi!

Congratulations to this week's class certificate recipients – Tino pai! You are awesome!
