

Principal's Award
Mia Paerau – Te Ngahue

Greeting Mia is always special. You will see a quiet, gentle smile and a sparkle in her eyes. She is always wanting to help others and puts her hand up for every job that is offered.

Mia has a high level of responsibility, she can see a need or a problem and independently tries to solve it. This thinking of others is evident in her manner and willingness to support, help, and care for other children, no matter what their age.

As a member of a class Mia is what teachers refer to as “a joy to teach”. She is diligent, always doing what she has been asked to do plus a little bit extra. She is creative and works hard during Technology to produce something that is both attractive and functional.

Mia is a tidy, organised learner. Her bookwork is carefully done. During written language Mia always tries to entertain her audience with thoughtful vocabulary and original ideas. When Mia is unsure she always asks for help, she displays perseverance when faced with a challenge.

Mia is always surrounded by friends, she makes everyone feel valued and appreciated. Congratulations Mia for always being the best you can be.

Congratulations to our week 5 class certificate recipients:
