

**Moveathon – Tuesday 15 September – The Countdown is on!**

Moveathon sponsorship forms were sent home yesterday. This is Team Pipi’s major fundraiser for the year so we would love lots of support. Money raised will go towards the construction of our playscape. Please start finding sponsors to donate to the Moveathon. The Moveathon is being held on Tuesday 22 September at 11:15am on our school field. Sponsor money is due by Friday 25 September (the last day of term).

**Playscape and Building News**

Excavation of the concrete and gravel outside our new buildings will begin on Wednesday. This area will be laid with new concrete and a large grassed area. This will complete stage 1 of our playscape! This is due to be completed before the start of term four. This is also when our new classes will open - Exciting!!!

**Year 3-6 Cross Country**

The Onekawa School Cross Country for our year 3-6 children took place on Tuesday this week. We are very proud of all children who took part in the event. The weather conditions were perfect for running! Congratulations to our winners:

**Reminder - Head Lice Check**  
With spring around the corner now is a good time to check your child’s hair for headlice ☺

**A word from the principal... Parking Issues**

I have been concerned about several reports of illegal parking in the Menin Road Cul-de-sac.

Thank you to the majority of adults who consider the safety of our children and display respect towards our neighbours in the Cul-de-sac.

There are however, a number of adults who are not following basic road rules.

- Please:**
- Do not park on yellow lines**
  - Do not drop off/pick up children on yellow lines**
  - Do not park over or in driveways**
  - Do not double park**

The good news however is that parking on Kennedy Road has definitely improved. This makes our road patrollers’ jobs much easier and safer. Thank you.
