

PALS (Physical Activity Leaders) Training at Pettigrew-Green Arena

A group of Year 6 students took part in PALS training today. PALS organise fun activities for children in our Whetu Iti (Junior) Syndicate. This takes place during lunchtimes at school. At the same time our PALS learn important leadership skills. Photo below: The PALS in training today.

Yellow Lines – Thanks for not parking or stopping!
Thanks to most adults who don't park or stop on the yellow lines outside of school. Doing so is potentially dangerous (e.g. road patrollers can't see clearly) as well as causing congestion. Your help is appreciated ☺

Easter Raffle

A reminder to please bring back your slips for Easter Raffle books and any donation of Easter treats for our table. Both greatly appreciated. Thanks, Team Pipi.

Team Pipi AGM – Come Join Us!

Team Pipi have their AGM this coming Monday 9th March at 7pm in the Staffroom.

New members are most welcome to attend. See you there!

New Parent's Morning Tea

We had a great turn out for the new parent's morning tea yesterday. Thanks to those who were able to attend. These morning teas will take place every term to welcome new parents and caregivers.

Building Updates

It's been a week of huge progress for both building projects. Ground work is underway for the arrival of our brand new modular classrooms (see photo on the left). At the same time the refurbishment of Rooms 1 and 2 are nearing completion (see photo on the right). We are expecting to be able to move in to Rooms 1 and 2 within the next two weeks. A big thanks to the team at Oak Construction for their hard work on these projects.

Week 5 Class Room Certificates! Congratulations children on your outstanding efforts this week!
