

Team Pipi – Trivia Night – A Massive Success!!!

Thanks to all those who supported our Trivia Night in some way last week. A huge thanks to Team Pipi for the hours of preparation that went in to the event. We raised over \$6,000!!! This money will go towards our 'playscape' development which is due to start in 2020.

Congratulations to our Trivia Night Raffle Winners:

Kids Entertainment Pack:

1st Prize: Dwi Wangsawidjaja 2nd Prize: Ruth Mclean

iPhone Prize Winner: Pippa Searle

Principal's Award – Zack Burton

Zack, you have so many qualities that make you the perfect fit for this Principal's Award.

Firstly Zack you personify the saying "manners maketh the man" Finding a young man with manners like yours is rare. It comes from deep within and is seen through the respect, dignity and quiet patience you give to all those around you. Later in your life people may forget your name or your face but they will never forget how you treated them. For you Zack, that is something you should be very proud of.

Zack, You face every challenge in the same way. Quietly, but head on! It sometimes seems like absolutely nothing can knock you off your line to success. What is hard to physically see is all the hard work and perseverance that you put in behind the scenes. When you are defeated you get back up, dust yourself off and start taking steps for the next time! When you are successful you don't stop to enjoy your moment in the spotlight, you look for what you can do next to constantly evolve into an even better version of yourself. You apply this to every area of your school life. When there is a job to be done you are there rolling up your sleeves ready to be part of the team, always leading by example in work ethic and strength of character. Zack, that is something you should be very proud of.

Zack you have integrity far beyond your years. Integrity is the most valuable and respected quality of leadership. Your peers gravitate towards you because of this and look to you as a leader. There is great power in being a leader, you use the power you have to help others be successful and when they are you are the first person there to congratulate them. Zack, this is something you should be very proud of.

Zack, you are a great young man, a great Onekawa kid and great success. Be proud of yourself, we certainly are!

Congratulations to this week's class certificate recipients!

Cross Country for Manawanui and Manaaki (Y3-6)

Due to the changeable weather this week our cross country for our Year 3-6 children will be held next Thursday 12 September. The races are being held at the park next to Onekawa Pools (across the road from school). The first race starts at 9:50am and we expect the last race to be finished before 12:30pm. We hope to see you there!

Quick Thinking from Two Awesome Onekawa Children!

You may recall in the newsletter a few issues ago that Luke, the council Dog Safety Officer visited our school. The purpose was to show children how to stay safe around dogs.

On Wednesday morning during road patrol, I observed a stray dog on the other side of the road following two of our students (Morgan and Harrison). The children remembered the strategies from the visit. The children took their bags off, held them in front shaking them, while walking backwards away from the dog. I was eventually able to get across the road to help the children. I was amazed at how calm they were.

Thanks again to Luke for coming to Onekawa School to help keep our children safe. Congratulations Morgan and Harrison. We are very proud of you!
