

A word from the principal

Tena koutou katoa. I'm so proud of our road patrollers who keep our children safe on the road every day. Onekawa School has one of the busiest roads to patrol in Hawkes Bay and being two-laned makes it even more complex. Thank you children, your service is much appreciated. Have a fun weekend everyone! Nga mihi, Steve.

Congratulations to our week 2 class certificate recipients!

House Competition Launch Evening

The official launch evening is going to take place on Thursday 21 February starting at 5:30pm.

Children (and adults if they wish) will take part in various fun games. Some of the fun games are: 'Under and Over', 'Through the Hoop' and 'Shuttle Relay'.

Children who attend will receive their very first house points for the year.

Next week your child will find out what house they are in (families will be assigned the same house).

SEESAW – Have you connected yet?!

Seesaw connection sheets were sent home to all families on Tuesday afternoon.

Have you connected yet?! It may be possible that the sheet is still in the bottom of your child's bag! If you need another sheet, please see your child's teacher.

Children will receive an ice block if their whole class gains at least one parent per child connection.

PS If you don't have access to a device – no worries... see Steve in the office and he can create an account for you 😊
