

Whetu Iti / Junior Cross Country

There was lots of fun and excitement at our Whetu Iti cross country on Tuesday!

A large crowd of parents and whanau came along to cheer on the children.

Congratulations to all the children who took part, and a big well done to our first, second and third place getters.

Check out the winners on the left!

Year 6 Camp at the Guthrie Smith Centre

Our two year 6 groups have had a wonderful experience at the Guthrie Smith Centre in Tutira this week.

We are so proud of our children; their behaviour and attitudes towards the challenges were exceptional.

Thanks to the parents who were able to transport and help out at camp; without your assistance this camp would not have been possible.

To Mrs Keesom, Mr Stone and Mr Race - we say a massive thank you for the week. These teachers have spent months planning and preparing for this camp. We really appreciate these efforts and hope you have a very restful weekend!

Congratulations to our Class Certificate Recipients!

Year 5 Trips to the Aquarium

While the Year 6 children were away at Tutira, the Year 5 children were having a great experience at the aquarium.

As usual, our children were outstanding and fun was had by all! Thanks to teachers for organising and to parents for assisting on the visit.
